Alumni Fundraising Challenge

This year our Alumni Board of Advisors set the overall Alumni Fundraising Challenge at $10,000! We need YOUR help in order to achieve this goal! Here are ways that you, personally can contribute to the Challenge:

- For alumni who want to make a one-time donation to ISUDM for the alumni fundraising challenge, simply go HERE and click support this participant.
- If alumni plan on attending the day-of, they can register themselves as an alumni dancer and collect donations for the challenge via their personal pages.
- If alumni want to donate to the fundraising account of an undergraduate dancer, they can self-identify as an alumni in the donor form, so this donation will still be credited to the alumni drive total. Funds raised by Location Based Groups will also be credited to the alumni fundraising challenge.

Alumni Incentives

This year Iowa State Dance Marathon has started a new incentive program for our alumni. Check out the awesome incentives you can get as you reach the various fundraising levels.

All of you have to do is register as an alumni dancer HERE.
