A Message from the Business Relations Co-Directors:

Iowa State Dance Marathon is not only passionate about our mission, but also about building sustainable relationships along the way. Through collaboration, we hope to build long-term partnerships that are supportive of Dance Marathon, our community and the leadership development of our students.

One way that we are able to achieve these goals is through open, regular communication. We want to hear about your organization’s goals and business needs so that we are able to be as effective as possible in helping you achieve your objectives. Included are ways Iowa State Dance Marathon can assist your business endeavors. By collaborating together, we can create an individualized plan that is mutually beneficial for both your company, and Iowa State Dance Marathon.
